SHOWCASING GLENN MILLER'S LIFE

Alton Glenn Miller was born in Clarinda on March 1, 1904. For 33 years Clarinda has honored his name and musical style at the annual Glenn Miller Festival held the second weekend of June and throughout the year offering tours of the birthplace home. Plans are underway for a Glenn Miller Birthplace Museum, which will be a great tribute in sustaining his music and memory.

BIRTHPLACE MUSEUM

Located next to the Glenn Miller Birthplace Home, the museum will feature: exhibits and artifacts, music archives, theatre, library, gift shop and the Glenn Miller Birthplace Society office.

EXCITING NEW BEGINNINGS

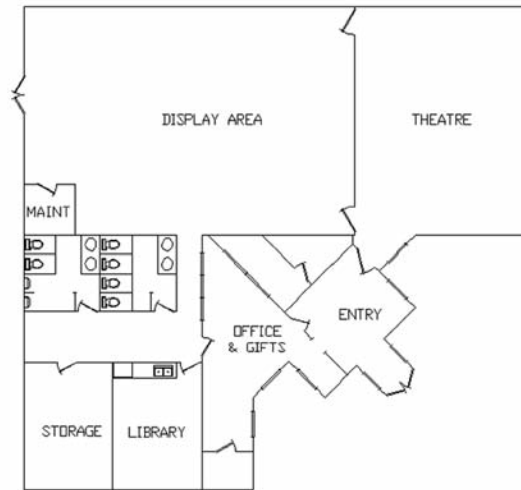

New property has been purchased south of the Glenn Miller Birthplace Home, providing greater visibility and room for expansion. Groundbreaking will begin once \$500,000 is raised. Grants and donations are being sought locally, nationally and internationally. An endowment fund will be established to preserve this legacy. The city and county have pledged financial support. Now, we need your support.

A NOTE FROM OUR MAYOR, GORDON KOKENGE

“Embrace what makes Glenn Miller’s life unique. This museum will honor the legacy of Alton Glenn Miller featuring the story of his life and music. The time is now to get *All Aboard* and show support for the new Glenn Miller Birthplace Museum. Let’s keep the music alive and make it happen.”

A NOTE FROM GLENN MILLER BIRTHPLACE SOCIETY PRESIDENT, MARVIN NEGLEY

“Be part of this exciting project. It will preserve the past for the future. It’s appropriate here next to the Glenn Miller Birthplace Home. We have a significant collection of memorabilia to display. Now is the time to make a dream come true.”
